PORTLAND (Or.) May 11.—[Ex-lusive Dispatch.] The Rev. W. B. linson, pastor of the White Temple, Hinson, pastor of the White Temple, will have an assistant according to recommendations made to the members of the church last night by the Prudential Committee. This much leaked out after a four hours' session of the committee last night which was held in secret. Every member and Dr. Hinson then refused to tell what had been done in the meeting. Notwithstanding the statements of several of Dr. Hinson's friends that he is in ill health, Dr. Hinson sent a communication to the press declaring his health is excellent. His friends who gave out the originally published statements concerning his illness and impending resignation now decline to add anything to those statements, or state their variance with Dr. Hinson's own assertions. It is apparent, however, that if there was any prospect of Dr. Hinson's resigning it has passed at least temporarily.

Big Sale of "The Times" Fiesta Number.

Stand of Jimmie Potts, Fifth and Spring, Where Three Thousand Copies Were Sold.

Every prominent corner in the business part of the city looked like a big branch postoffice yesterday. Did you notice those great heaps of papers in yellow wrappers that cast a golden glow around the letter boxes and in the show windows? They were entirely made up of yesterday's Flests Week number of The Times, the extra sales of which were larger than of any preceding regular issue. One enterprising street werchant, Jimmie Potts, whose stand is at Fifth and Spring streets, sold 3000 copies, wrapped and ready for the mail.

That there shall be no question as to these papers being sent to their destination, they are all gathered up by The Times mail wagons, properly stamped, if this has not been done, and taken to the postoffice.

All the young newspaper merchants did a tremendous business yesterday, many of them reaping princely rewards for themselves. The sale of this issue of The Times, containing all the Shriner Week reports and pictures was unprecedented. Copies may still be had. The sale will continue all the week.

"The managers of Col. Roosevelt have deceived the voters by injecting State issues into the campaign. Only national issues are at stake.

"The fight to carry California for President Taft has been a labor of love. The organization that has conducted his campaign has been a voluntary one. It has not had the support of corporate influence or money. We endeavored to conduct a campaign free from rancor, malice and personality, preferring to leave mudslinging and mendacity to our opponants."

WHAT IS A "PROGRESSIVE?"

What is a progressive? As far as the national administration is concerned, it seems to be standing for two things, and only two: "Shall the people rule?" and "A revision of the tariff." You take all of the discussions that have taken place in this campaign and they can be brought under these two heads. Whenever a candidate has no issue to present to the American people, he falls back upon that old and catchy phrase "Shall the people rule?" We heard, very little about the people ruling since Mr. Bryan and "Free Silver" were disposed of, but when he was again facing the American people as a candidate for President, he adopted that as his platform. Mr. Roosevelt was running for Vice-Fresident at that time and an example and the thought there was some is-

S AN FRANCISCO, May 11.—Fellow-citizens: Bear these things in mind:

While Gov. Johnson was stumping this State advocating constitutional amendments, he never once raised his voice or used his influence for woman suffrage. When he did mention it, his remarks were regarded as a suffrage, which he nearly succeeded in defeating by ignoring it. We would not make this statement were it not that he claims credit, and many wamen have been led to believe him entitled to credit for the amendment. It was carried in spite of him, not with his help. In Illinois the votes that defeated woman suffrage elected delegates pledged to fighting Col. SEE-SAW SCORE.

The Score was tied time and again and when the game was won at last and when the game was won at last it was done on a good play that was awful bad head work. In the first place, Daniels got a life on first base when Kirkpatrick booted his hard chance, and then made a bad heave to McLain, at first base. Daniels worked his way around to third base on a little sacrifice hit and a bungle by Allen, then Lutz who was put in on a little sacrince nit and a bungle by Allen, then Lutz, who was put in at the last moment, after Becker had been derricked and Daniels replaced again on the hill, hit a long foul fly to right field. running catch, but was in no position to heave the ball home after grabbing it, so the winning run went over the platter without a struggle. Had Baer used his head and let the ball fail foul, they might have been playing yet, but that is the way of college baseball.

In the first inning the Huns started with a big rush and put two runs over the plate. With one out Edwards got a life on an error and then stole third; after taking second while they were trying to recover Warren's wild heave. Shutt walked and took second on the next pitched ball and both runners scored when Harry Kingman hit the ball to deep center for a long single.

In the Tiger half of the first one run was scored and when the second inning came around, Pomona rang the bell once more and it looked as though the Blue and White men had cinched the game, but the Oxy Tiger came out of the shell in the second half of the second. Warren doubled to left and McLain gave Wight a chance to boot one; Warren going to third. Mac stole second. Baer popped out to the shert, but Seay was there with the timely wallop and scored both base runners with a glean swat to center.

Oxy Forges Ahead. In the fourth and fifth Oxy scored a run and made it five to three and a run and made it five to three and the battle song was ringing free over the field. With two men on in the sixth, Clif Barnes tied the score with a terrible two-bagger to center, there-by dashing the Oxy bleachers into deep gloom once more. Pomona added insuit to injury to the eighth when another ace was put on the total. Kirknartick's Homer.

them, the Tigers tied the score once again.

Kirpatrick, the first man up, after having two strikes and one ball called on him, hit the ball far over the center fielder's head for a home run. He made some of the fastest time ever seen in these parts around the bases after his mighty swat and easily beat the relay throw home.

The two teams drilled along till the fatal eleventh, when Baer's great catch spilled the beans and gave the pennant for the season of 1912 to Pomona.

Jess Baker Is Driven from Game and McCorry Takes His Place. Heitmuller Gets Four Hits—Win-ning Team Gets Busy Early in the Game—Box Score Story.

(BY DIRECT WIRE TO THE TIMES.) SAN FRANCISCO, May 11 .- [Exclusive Dispatch.] Maybe Walter Na-gle has been the Seals' jinx in past years; maybe Nagle is the same old fox, but he came in for a terrific lacing out at Recreation Park to-

day.

The final score was 6 to 4, and the victory was easy, but the Angels did such a deal of threatening by a seventh-inning rally that they forced Jess Baker from the game and time had the loial fans a bit

besides a red flannel shirt and a good "noodle," and the "noodle" part of his repertoire hardly evened up for the floaters which he sailed up to the plate.

Inning one netted two big tallies and a combination of three more hits in the second inning brought about another score. Then two more were added in the seventh, and it looked like curtains for the Angels until the seventh, when the men from the south scored three times, and had the bases full when the last man was retired.

Jess Baker was touched up rather freely throughout the time he was on the mound, and when he displayed signs of wildness in the seventh, he was yanked to make way for Billy McCorry. This young, and spry person came on the scene with a man on first and two out, and proceeded right away to fill the bases by walking two in a row. Then he set about and sprung some here stuff by fanning Boles with the bases full.

MANY SLUGGERS BUSY. MANY SLUGGERS BUSY.

scriptions, who plied their trade during the afternoon. Big Heine Heitmulier led forth with four hits out of five times up, but Mundorff, Jackson and Nagle were close behind with three saféties out of four times up. With base-hits shooting in all corners the fielders had their waft mapped out, and there was a deal of interest manifested.

Mundorff gave the Seals a good start in the first inning by cracking a single to right, and he raced to third when Mohler bounced a lucky single over Dillon's shoulder. Raftery sacrificed Mundorff home with a long fly to Heltmuller. Hartley's out carried Mohler to second and he scor on Jackson's single in left. Nagle cut loose a wild vitch to first and Sackson reached third, but Metzger cut off Mcardle's drive and the side was out.

BROOKS MAKES GOOD. Daley forced Howard at second, and Heitmuller tore loose another single. They carried through a double steal. They carried through a double steal, and Manager Dillon stuck in Brooks to hit for him. The move proved a good one, for Brooks singled to right, which tailied Daley and Heitmuller. This finished Baker, and McCorry was trotted out. The little fellow was hardly warmed up, and passed Metzger and Page, filling the bases. Then he set to work, and fanned Boles for the third out.

McCorry got going after that round, and the Angels were held well in hand. In the eighth the Seals made another, just to make victory assured. Jackson doubled to center, and was sacrificed by McArdle. Corhan raised a foul fly to right, which Heitmuller caught, and Jackson scored after the catch.

injured men. A telephone call was sent for the Turner and Turner ambulance and it made a quick run, taking the three men to the Redlands hospital. Physicians gave first aid at the scene of the accident, later making a more thorough examination at the hospital.

The machine is not seriously damaged. The glass front is broken, the lamps and fenders are somewhat bent and the steering wheel is broken. The two tires on the right side of the car were torn off. Apparently the frame is not twisted and it is likely a couple of hundred dollars will repair all damages.

# TAKE DELICIOUS "SYRUP OF FIGS."

oves the scum from the tongue, sweetens a sour, gassy, bilious stomach; cleanses your liver and 30 feet of bowels without gripe or nausea.

If headachy, bilious, dizzy, tongue coated, stomach sour and full of gas, you belch undigested food and feel sick and miserable, it means that your liver is choked with sour bile and your thirty feet of bowels are clogged with effete waste matter not properly carried off. Constipation is worse than most folks believe. It means that this waste matter in the thirty feet of bowels decays into poisons, gases and acids and that these poisons are then sucked into the blood through the very ducts which should suck only nourishment to sustain the body.

Most people dread physic. They think of castor oil, salts and cathartic pills. They shrink from the after effects—so they postpone the dose until they get sick, then they do this liver and bowel cleansing in a heroic way—they have a bowel washday— San Diego Postmaster Victim Will Drop Investigation Re-

SUSPECTS TAKEN.

Five Deputy Constables from Oceanside, in charge of Canstable S. Marron, rounded up two of a bunch of five I.W.W.'s seven miles west of Escondido last night. One of them undertook to draw a 44-40 Colts revolver on one of the officers, but the officer, Clint Culver, was too quick for him. The other I.W.W. had a lot of cartridges but no gun.

They are believed to have been concerned in the shooting of the San Diego police officers a few nights ago, and admitted that they had been living at the house where the shooting took place. They were returned to San Diego at midnight, and this morning the other three members of the bunch were captured near Oceanside.
